TheTaxi [AKA; PARKER, John; (N/P)]

Is a candidate for US Representative from District II of Hawaii.

Send a genuine, "Political Hack" to Washington. If you are as disgusted as I am with this \$\$Million\$\$ waste of taxpayer money to fill a few weeks of the unexpired term of former Rep. Patsy Mink, then voice your displeasure with a vote for; [X] PARKER, John; (N/P).

I stand for a "Fare Deal" for everyone. My fiscal policy is simple, "The Meter is Running".

I promise not to spend a single penny of your money for the few weeks I am in office and will donate any salary received to the US Treasury where it came from. Vote for me and send a real message to Washington and the State of Hawaii Office of Elections. I will cost you nothing until we can hold a special election in January to replace Rep. Mink.

You won't get a better deal from any other candidate.

Aloha,
John Parker (N/P)
